This evaluation is intended to comply with the City of Portland requirements to evaluate energy efficiency of homes in the Portland area. The score is a standardized document established by the Oregon Department of Energy and managed by EarthAdvantage.org for the City of Portland.

This evaluation is not intended to define modifications or list requirements needed to raise energy efficiency scores yet improvement recommendations are a portion of the Department of Energy scoring and not those of the assessor.

The purchaser acknowledges the following as mandated by the City of Portland.

“Individual consent: In accordance with Portland City Code Chapter 17.108 (adopted by Ordinance No. 188413 and effective January 1, 2018), Home Energy Scores produced in Portland will be made publicly available through real estate listings. Thus, these scores and any associated information will not be treated as confidential. The customer hereby consents to allow the Home Energy Score Report to be collected and stored in order to be disclosed through accepted and secure methods of data transportation, for the specific purpose of publishing it on a database which will auto-populate or otherwise be uploaded to the Regional Multiple Listing Service (RMLS) and/or similar real estate listing services and be identifiable to homeowner's property on the listing service.” Initial: _____
